

2022 - 2023

Gender Pay Gap Report

Contract Candles & Diffusers Ltd

Contract Candles & Diffusers Ltd is required by law to publish an annual Gender Pay Gap report.

What is the gender pay gap?

The gender pay gap is the percentage difference between average mean hourly earnings for men and women.

What is a Mean Hourly Earning Calculation?

Mean hourly earnings are calculated by dividing total pay by the number of employees.

What is a Median Gap Calculation?

The median gap is the difference between the midpoints in the ranges of men's and women's pay.

Our Workforce

A snapshot of all our Employees who were actively working on 5th April 2022

Men	132
Women	219
Total	351

At Contract Candles & Diffusers Ltd, everyone is paid for the role they have in the team and for their performance in that role. No other factors affect employee remuneration. We are an Equal Pay employer - male and female employees performing equal work receive equal pay.

Proportion of men and women in each quartile

The above chart shows the proportion of male and female employees across Contract Candles & Diffusers Ltd in four equally sized groups, sorted by level of pay.

2022 - 2023

Our Commitment and next steps

Contract Candles & Diffusers Ltd are continuing to work to improve opportunities for all employees and to improve the pay gap. The long terms aims which will continue to be evaluated include pay decisions upon hiring to be evaluated. In addition to this, training and development is key within the company and we will be investing into the training of all employees, which will be a key tool in taking a more proactive approach leading to potential promotions across the business.

'We are committed to our customers, employees and future generations.'

I confirm that the information contained in this report is accurate.
